

## Emergency Team

Following various discussions and approaches to West Country Ambulance Service, it is now intended that we set up a First Responders team here in Chivelstone.

The Team would act as a satellite of the Kingsbridge First Responders team and would be trained in first aid and the use of first aid equipment such as a de-fibrillation machine.

Our team will consist of about 8 persons who would offer their time and skills on a purely voluntary basis.

Anyone interested in being put forward for the team, please telephone David Hampden-Smith on 511277 .

Please remember that any members of the public are very welcome at any of our parish council meetings, your views are important and can be aired during the "public participation" part of a meeting.

If there are any questions or concerns you have and you feel unable to voice them yourself at a public meeting; contact one of your councillors who will be happy to put your views or query forward.

## Chivelstone Parish Council Newsletter

Newsletter No 2

April 2005

### **Prawle Fair 2005**

This year the Prawle Fair, which raises money for the running of the Community Hall, will be held on bank holiday Sunday 29th May

It was thought that the move from Monday to Sunday would enable more visitors to attend. (and perhaps improve our luck with the weather!).

There will be all the usual attractions including the Swing Boats, Cake Stall, Tombola, Bouncy Castle, Gipsy Card Reading and Plate Smashing, to mention but a few. We hope as many people as possible will come and join in the fun!

Help is always appreciated either on the day or with the erection and dismantling of the bunting etc.

If you can help in any way, please contact Roger Tucker on 511332

---

### **New Strimmer for Parish**

Your Council have purchased a new strimmer which is important to the up-keep of the parish grassed areas.

## East Prawle Cricket Club

The East Prawle village cricket club is about to enter its 4th year and would like parishioners to be aware that the club is always on the look out for enthusiastic talent old and new! Junior players from 12 years old are encouraged to join, the club like to play at least one junior player each match.

The Club plays on the field opposite the old school in East Prawle; games are usually on a Sunday and even if you are not a potential player, your support to the village team is always welcome.

If you are interested in joining the club as a player, non-playing member, or would simply like a copy of the fixtures list, please contact Stephen Tucker on 511531

## Trafalgar Celebrations

If any parishioners have ideas or suggestions as to how we celebrate the Trafalgar Weekend planned for the weekend of October 21st to 23rd, please contact a parish councillor or come along to a council meeting and put your suggestions forward for discussion.

## Coleridge Bus

The Coleridge bus is a voluntarily run service and it is worth noting that the only loss making run of this Community Bus is the Prawle run to Kingsbridge on a Wednesday, we would like to encourage parishioners to use the bus as much as possible. Please note that the bus is also available for private hire at very reasonable rates.

The bus's drivers are volunteers and new drivers are always needed, full driver training is provided, if you are interested, please contact Josephine Trinick on 511270

### Footpaths etc.....

Parishioners might have noticed a number of new kissing gates and styles that have been installed on bridleways and footpaths in the parish by Devon County Council.

Walkers will also have noticed that the footpath at Woodcombe Hill has been greatly improved.

If any parishioners notice anything requiring attention on our footpaths or bridleways, please contact Alan House on 511406

A number of potholes have appeared in our roads, Devon County Council have been notified.
